

2023 Parking & Directions

PARKING PASSES

Parking passes are allocated to exhibitors based on booth size. All exhibitors will receive at least 2 parking passes.

Complimentary exhibitor parking passes can be picked up at the North Lobby Exhibitor Registration Area, during show set-up, according to the following schedule:

Tuesday	12pm - 5pm
Wednesday	9am - 5pm
Thursday	8am - 5pm
Friday	9am - 5pm

Parking passes are good at any parking gate. Upon entering any entrance gate, please scan the barcode on your parking pass, either with the attendant at the gate or the automated parking system to receive free parking/gate entry.

Parking passes provide in and out privileges for passenger vehicles only. Large equipment such as Class 8 trucks, trailer, and buses are not covered by the parking passes.

Beginning Thursday, any vehicles not displaying a parking pass will be required to pay \$10 per day.

Additional parking passes can be purchased here:
