CONDITIONS & REGULATIONS

- Wall, column and permanent building utility outlets are not part of the exhibit space and are not to be used by exhibitors unless specified.
- Rates listed are subject to change without notice.
- Rates listed cover only the provision of service to the exhibit space in the most convenient manner and do not include connection equipment or special wiring.
- All material and equipment furnished by Kentucky Exposition Center (KEC) for a service order shall remain KEC's property and shall be removed only by KEC at the end of the event.
- All equipment, regardless of the source of power, must comply with all national, state and local safety codes.
- All equipment must be properly wired and tagged with complete information including type of current, voltage, phase, cycle, horsepower, etc.
- All cords provided by an exhibitor must be the 12/3 wireground type. All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded.
- All fountains and pumps should have Ground Fault Interruption (GFI) protection.
- Special equipment requiring company engineers or technicians for assembly, servicing, preparatory work and operation may be executed without a KEC electrician. However, a KEC electrician must make all service connections and overload protection to such equipment.
- Unless otherwise directed, KEC electricians are authorized to cut floor coverings to permit installation of service.
- Exhibitors shall pay for any required services, equipment, material and technicians at prevailing rates and conditions at the time of the event.
- By providing your credit card information, you authorize KEC to apply any additional charges associated with your booth.
