

HANGING SIGNS

Hanging signs are available for purchase in several distinct shapes and sizes.

These signs are composed of a number of aluminum poles that connect to create the individual shape. All designs utilize pillowcase style zippered graphics and are quality dye sub printed fabric.

The combination of the lightweight aluminum frame poles and the fabric graphic wrap allows for this banner's portability.

Single and double sided print options are available,

All packages include framework of aluminum tubing, printed single-sided graphic (from your artwork), and is packaged in a Canvas Carrying case.

Call 502-266-5101 for availability and pricing.

Overhead Hanging Sign Information Factsheet

Only when provided the complete information requested below, will we be able to install your overhead hanging sign properties. This form must be completed and submitted prior to the deadline date in order to ensure that your properties can be installed. Facility limitations and other exhibitors requirements may dictate restrictions to what may be hung overhead. Lack of this information may result in costly delays such as overtime installation, or no installation, for which we will not be held responsible.

Please provide engineer approved assembly and hanging instructions. Genesis assumes no liability for any claims arising out of the the installation of any sign without approved drawings.
