Exhibitors can save time by electing to have Genesis Exposition Services supervise the installation of exhibits prior to the exhibitor's arrival and after the exhibitor's departure by completing the Supervision Information Fact Sheet. All Genesis supervised jobs will be completed at our discretion prior to show opening and before the hall must be cleared, after the close of the show. In order to request Genesis Supervision for dismantle, your booth must be installed under Genesis Supervision. Genesis Supervision for dismantle only is **not** permitted. This form is not intended for the ordering of unloading/loading services. For information and cost relative to unloading and reloading your display, please see the Material Handling/Drayage Information and Service Order Form enclosed in this Service Manual.

NOTE: Your company is encouraged to carry insurance covering potential damages or loss associated with your display. Genesis Exposition Services assumes no liability for loss, damage or bodily injury arising out of the installation and/or dismantling of Exhibitor's property by Genesis-provided labor. Exhibitor assumes the responsibility, and any liability arising therefrom, for the work performed by Genesis labor under Exhibitor's supervision. In any case, the liability of Genesis Exposition Services will be limited to a maximum of 50% of the total labor bill, not to exceed \$1000.
